A. INTRODUCTION

Kaivan Engineers is actively engaged in sourcing & trading of Plates, Pipes, Fittings, Flanges, Industrial Valves, Packages, etc. for Oil & Gas, Refinery, Petrochemical, Fertilizers, Power, Water Treatment & Cryogenic Industries. Its business spreads worldwide including USA, China, Japan, Europe and Middle East and with reputed clients in India.

Its associate company Nay Engineers is specialized in sourcing & supply of Technologies, Engineering & LSTK Projects. Company also represents world re-known suppliers of Piping Material, Technologies & Engineering.

Kaivan Engineers has been established by a Chemical Engineer in 2007 who has over 40 years of experience at top management position in chemical industries in India and abroad. His experience spans from Plant Operation, Project Execution, Contract Handling and Sales & Marketing. He was Vice President at IBI Chematur and Business Head at Linde India. He is ably supported by his son who is Mechanical Engineer with MBA.

Utilizing his decades of experience and guidance, Kaivan Engineers

- Able to engrave its unique identity as a trustworthy and reliable sourcing partner.
- Known for its expertise and efficiency in execution.
- Gladly accepts challenges of most difficult and emergency requirement from the clients and satisfy them with acceptable solutions.
- Knitted the web of reputed suppliers and manufacturers locally and internationally to source and supply the required items.
- Groomed its expertise to cater the requirement of exotic material.

BUSINESS ACTIVITIES

Business activities of Kaivan Engineers includes:

- Supplying all grades of plates & pipes, pipe fittings, flanges, valves, etc. with an expertise for special grade material.
- Representing various reputed Indian and foreign companies for Pipes, Equipments, Process Packages, Technologies, LSTK contractors & Engineering.
- Keeping storage of plates and pipes to meet the urgent demand from the clients.
- Manufacturing special items such as Mitre Bends, Induction Bends, Cross, Jacketed / Metal Seated Valves, etc.

- Smart Sourcing – A Speciality: In the present of highly competitive environment, cost effective and smart supplying plays vital role to achieve the business goal for the clients. Kaivan Engineers traces the best source from intensive market place, smartly negotiate the deal to help the clients to minimise the cost with maintaining delivery and quality.

CENTRALLY LOCATED OFFICE

Company has well equipped office located in centre of Vadodara which is 5 Kms away from domestic airport. Vadodara is Located at 400 Kms North from Mumbai having good connectivity with Mumbai & Delhi.

STOCK

We maintain stock at Vadodara and with our associates at Mumbai. We are also associated with reputed stockiest in Japan, UAE, USA to cater any *emergency or special* need of the client.

TEAM

Our team is comprises of young, dynamic well qualified and experience personnel from the Industry. Our associates are highly reputed and have long Experience in the Industry.

Kaivan Engineers works to maximize value for customer by competitively delivering the quality items and services in time. Delighted customers and proud employees is our Motto.

B. PRODUCTS

We work worldwide with reputed mills to cater the complete range of plates & Piping as below details

1) PIPES (Seamless / Welded)

Alloy Steel: - Makes: -	ASTM A335 Grade P-5, P-9, P-11, P-12, P-22, P-91, P-92 Valcony, Productos, KASCO, Sumitomo, JFE
Stainless Steel: - Makes: -	ASTM A312 TP 304, 304L, 310, 316, 316L, 321, 347H Krystal, Modern, Bhandari, Nippon, Seah
Carbon Steel: - Makes: -	ASTM A106 Gr. B / API 5L Gr. B etc with IBR Certificate MSL, ISMT, Jindal, China
Line / Casings: - Makes: -	API 5L X42, 46, 52, 56, 60, 80 (Seamless / LSAW / ERW / HSAW), API 5CT Jindal, Mann, Ratnamani, Welspun, Imported

2) TUBES (Seamless/Welded)

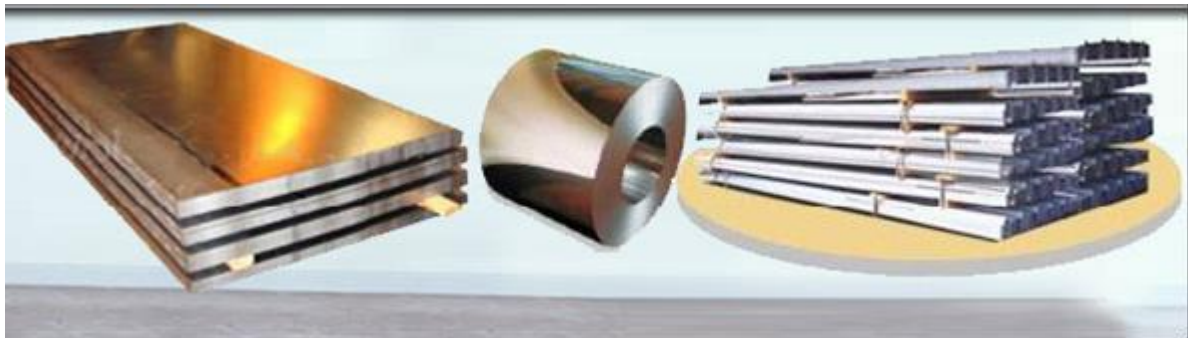

Alloy Steel: - Makes: -	ASTM A213, T5, T9, T-11, T-12, T-22, T-91 Sainest, Wuxi, REMI Metal
Stainless Steel: - Makes: -	ASTM A213 TP 304, 304L, 310, 316, 316L, 321, 347H Krystal, Modern, Bhandari, Nippon, Seah
Boiler Tubes: - Makes: -	SA 210 Gr. A1 with IBR Certificate. Sainest, Wuxi, REMI Metal

3) PLATES

Alloy Steel: - Makes: -	ASTM A 387 Gr. 11, Gr. 12, Gr. 5, Gr. 22, Cl.2 etc. Duferco, NLMK, Dillinger, Indu, Lloyds, Shah Alloys
Stainless Steel: - Makes: -	ASTM A240 TP 304, 304L, 310, 316, 316L, 331 etc. Jindal, Imported
Boiler Quality: - Makes: -	SA 515 / 516 Gr. 60 / 70 etc. SAIL, Essar, Imported, Ukraine, China
Mild Steel:- Makes:-	IS 2062, A36, S355, S275, S235 SAIL, ESSAR, JINDAL, Imported

4) FITTINGS (Seamless / Welded / Forged)

Alloy Steel: -	SA 182 F11, F22, F5, F9
Stainless Steel: -	SA 182 F304, 316, 321, Duplex, Super Duplex
Carbon Steel: -	SA 105, LF2, LF3
Foreign Sources: -	China / Thailand / East Europe
Indian Sources: -	TubeBend, CSA, Eby Fasteners, Topaz, TPI

5) FLANGES (SWRF, SORF, BLRF, WNRF, WNRTJ)

- Alloy Steel: - SA 182 F11, F22, F5, F9
- Stainless Steel:- SA 182 F304, 316, 321, Duplex, Super Duplex
- Carbon Steel:- SA 105, LF2, LF3
- Foreign Sources: - Korea / Italy / Germany
- Indian Sources: - Five Bros, Sanghvi Forging, Tekno Forge

6) VALVES (Cast, Forged, Manual, Actuated, Control)

- Gates: - Bolted Bonnet / Flexible Disc/ Rising Stem – OS & Y / Knife Edge
- Globe: - Fully way / Sphere Disc / Plug Type / Needle Type / Composite Disc
- Check: - Swing Type / Lift Type / Wafer Type
- Ball: - Single / Two / Three - Piece / Fire Safe / Jacketed / Metal Seated
- Butterfly: - Plug Type / Wafer Type – Centric / Double / Triple - Offset
- Plug: - Lubricated / Non – Lubricated / Extended Packing / Sleeve / Lined / Double Block

(Above valves are available in different materials and can be manual or actuator operated (Gear / Electric / Pneumatic).

- Foreign Sources: Audco / Kitz
- Indian Sources: L&T / Leader / Reynolds / Sant / Scent

7) SPECIAL ITEMS

- LR Bends, Miter Bends, Equipment, Packages, Skids, etc. from reputed fabricators
- Fast delivery items, non-standard items and combination of various material
- Chrome & Exotic Alloy Material

8) PACKAGE DEAL

We execute complete package consists of different materials and combinations of various grades. Our well established position with main Indian Mills and Distributors enable us to cater varied requirement of customers. Moreover, rich Experience in export/Import, Allow us to execute such package deal efficiently.

9) TUBULAR & FLAT PRODUCT

In collaboration with qualified manufacturers, we can perform the following operations on the tubular & flat products.

- Galvanizing
- 3LPE, FBE, coal tar enamel coating
- Cutting & Bevelling
- Threading & Coupling
- Spooling & Fabrication
- Surface Roughness

10) QUALITY ASSURANCE SOLUTIONS

We also undertake following quality procedures

- HIC / SSC Testing
- NDT/Destructive Testing
- Inspection & Marking
- Varnish & Colour Coding, Rust proof coating

C. SERVICES

Kaivan Engineers with its sound knowledge of Indian market, rich experience in multiple industries, excellent contacts and competence to handle techno-commercial matter, is offering expert services for Representation, Marketing and Sourcing of Industrial Items, Technologies & Engineering for Oil & Gas, Petrochemical, Fertilizer, Power and Cryogenic Industries.

Within span of establishment of 7years, generation of orders of over Rs. 1 Billion proves its capability, commitment and acceptance in the Industry.

Kaivan Engineers Offers Following Services:

➤ Sourcing / Procurement

Identifying competent vendors, getting competitive offers and placing orders in time are important for the successful and timely completion of any projects. Kaivan Engineers specializes in such Smart Procurement. Its global database helps to identify competent vendors for the various requirements.

We undertake following activities:

- Assist to finalize the BOM considering availability of material in the market
- Identifying, Evaluation & Shortlisting the suppliers
- Floating the inquiry and receiving Techno – Commercial offer
- Preparing techno – commercial comparison and recommendation
- Undertaking follow up and expedition during execution of order
- Carrying out stage wise inspection and issuing Material Release Order
- Ensuring delivery of the item as per Packing & Forwarding Requirements

➤ Representation

Kaivan Engineers Represents reputed manufactures / mills from INDIA & WORLDWIDE. Few of them are listed below:

PIPES	: KASCO, VALCONY, HUTA BATORY
FITTINGS	: TOPAZ, CSA
VALVES	: OSV, SCENT, REYNOLD
TECHNOLOGIES, ENGG & PKGS:	NAY ENGINEERS

D. QUALITY CONTROL

Quality Control being a central part of our operations, our operation is based on ISO-9001:2008 quality control manual. We recognize that the marketplace is highly competitive, and that to gain and maintain customers, we have made order fulfilment process quick, easy, and error-free.

Our policy is to continually make every effort to build customer satisfaction and ensure quality performance at all times by:

- All incoming and outgoing materials are subject to the inspection and approval by independent Quality Assurance Team.
- We also ensure inward-outward traceability to completely eliminate all possibilities of fraudulent application of our supplied products.
- Providing a work environment that promotes competency, teamwork, empowerment and accountability.
- Certified third party testing facilities are used as required to ensure material meets all specified requirements.

Certification and Testing service includes:

- Conformance with Special Chemistry Requirements through specific heat code selection
- Ultrasonic and Radiography Testing
- Positive Material Identification
- Charpy Impact Testing
- Any testing requirement as per standard
- Special testing requirement specified in order.

E. MAJOR CLIENTS

- Anup Engineers
- BOC
- Cairn Energy
- GMM Pfaudler Ltd
- Gujarat Infra Pipes Private Ltd
- Gujarat Narmada Valley Fertilizers Company Ltd
- Gujarat State Fertilizers Company Ltd
- IOT Anwasha Engineering & Construction Ltd
- Linde Process
- L&T Hydro Carbon Division
- L&T Heavy Engineering Division (Hazira and Ranoli)
- L&T Piping Center Hazira
- L&T Power Ltd
- Pizo Projects & Engineering Consultants Pvt Ltd
- Punj Lloyds
- TDW India Ltd
- Tekno Products
- Topaz Piping
- Tube Products Incorporate
- Zeppelin Systems India Pvt Ltd
